

38' Sabre Express Hard Top

sistership

Traditional design, luxurious accommodations, and excellent performance are the hallmarks of the Sabreline 38 Express. Quiet and economical to operate, this yacht will impress the most experienced yachtsman.

The helm deck is a careful study in ergonomics. Surrounded by large opening windows and overhead hatches for maximum ventilation and light. Views for the helmsman and crew are virtually unobstructed. The Stidd helm and mate's chairs provide a degree of comfort rarely found in other boats. To add to cruising comfort, Sabre's engineers have reduced noise and vibration levels substantially with a careful study of engine room ventilation and insulation. The hard back enclosure closes off the helm deck from the cockpit with the addition of two elegant curved windows in the corners, a sliding window to port and an aluminum entry door.

Below decks her hand-crafted cherry interior adds to the sense of luxury, evident throughout. The stateroom berth is low and wide, making it both comfortable and easy to access. A pocket door separates the salon and stateroom while the head with stall shower has private access from the stateroom and from the salon. The main salon is configured with a long L-shaped settee and, her maple-inlaid salon table drops to form a guest berth. A standard thin screen TV and DVD player are recessed in to the furniture of the main cabin bulkhead.

The Sabreline 38 Hard Top Express is a yacht destined to become a classic for years to come.
