

Traveling north on I-5:

Exit 256A, Meridian Street. Turn left onto Meridian Street. Proceed until you cross the railroad tracks, then **immediately** take the next right, which will put you on Squalicum Parkway. Follow Squalicum to its end (you will drive under three overpasses including an old train overpass near the end); it becomes Roeder Avenue. Proceed East on Roeder over more railroad tracks, passing the large marina to your right, past Olympic Boats, to a large blue sign that reads “1801 Roeder Avenue, the Harbor Center Building.” Turn into the parking lot and park in front of the Port of Bellingham. Our office is on the waterfront, adjacent to the aquarium at the head of the dock ramp and public boat launch. We are suite #174.

Traveling south on I-5:

Also take the Meridian Street Exit. At the end of the exit ramp you will come to a stop sign. Take a left turn, which will bring you to Meridian Street. Take a right onto Meridian and proceed to the railroad tracks and to Squalicum Parkway, where you will take a right and follow the same pathway listed in the previous directions for I-5 north.
